Dear Beets:

I hope your summer has been a good one.
(I finished my new play!)

Busy here - Tiny Alice on Second Stage in
NY mid December; The Play About the Baby off Broadway
in January (if we can find a theatre!) & maybe a
V. Woolf? on Broadway in April.

I know it's early here... have you heard of
on dates for the juries? (Assuming it's happening!)
My best weekends right now are March 16-18,
April 13-15 (Easter anyway). Let me know when you
do.

Any word from the Russians? Dates? Reaction?
Who is planning to reimburse me for the necessary
connections?

Oh! What plays are you mulling for the juries?
Love to you both & to the puppy - who must
be getting quite large by now!

Edward
