Mr. Harold Brown

Dear Mr Brown:

I have written the American
Consul General in Tiajuana Bfd. Mexico of
Racial discrimination being practised
by the Del Mar Cafe 712 Madero.

As this against the law of Mexico
We are wondering why these White
Americans can come to Mexico and defy
the Law of the land by starting, organize-
ing, and be able to tell Mexican Citizens
they have to discriminate against
American Negro's.

I do not expect a reply from
the Consul as, he also has no American Negro's
Working in the American Consul.

Your organization can help by writing
letters to the proper American Authorities.

Sincerely
James H Freeman
