

(2) I'm glad your broken is both ferret and frequent
with the slabbings - makes me feel better.

The Toyota gear for Debbie Smith small.
Now maybe I'll get paid more than I deserve.
(Everybody else does that, why not you guys?)

Thanks for the review of F.T.S. I'm relieved
they came at least part way up (back from the
Lackluster & wavy-headed rehearsal I saw. ("Is it the
d:ffw!!!")

love to you, Debbie & the dog.
