The Mississippi Staff Salary Story

There are several different categories of staff workers as far as personal expenses go:

- 1) Married worker supporting a family.
- 2) Married worker supporting a separate household.
- 3) Married worker living in a freedom house arrangement.
- 4) Single worker living in a freedom house arrangement.
- 5) Single worker supporting a separate household.

And variations within these categories, depending on the location (rural, urban, etc.).

An historical accident, namely, whoever was at the Tougaloo COFO staff meeting in late summer, settled the names of those to be placed on Task Force this fall. Other people just as active who were not there for whatever reason were not considered. The original plan was to give \$10 a week subsistence checks to those who were not on Task Force paychecks. This plan has not worked, however, because there has been no money to provide subsistence. As a result, there are some people working in the field who are receiving paychecks while working next to someone with as much experience and background who is not receiving a paycheck or any other form of subsistence.

In view of this inequity and because the staff feels that the present pay scale is higher than what is needed to actually meet expenses here in Mississippi, the staff has agreed on a sliding scale of pay, the scale to be set on the basis of financial need. The important aspect of any such scale is that it be open to review by the staff at any time and that there be a fairly clear distinction between categories. There should be a certain ability to make changes fairly quickly (moving out of a freedom house can raise the level of expenses overnight for instance).

Based on the present living expenses a first go-round on weekly salaries might be as follows:

	<u>Proposed</u>	<u>Present</u>		<u>Proposed</u>	<u>Present</u>
Annie Devine	\$50	\$40	Randy Glenn	\$15	\$25
C. O. Chinn	25	25	Mary Ann Shupenko	15	25
George Raymond	25	25	Cathy Lucido	15	-
Theodis Hewitt	25	25	Elaine Delott	15	-
George Smith	25	25	John Smith	15	-
James Collier	25	25	William Forsyth	15	-
Richard Tinsley	15	25	Dean Zimmerman	15	-
Lois Chaffee	15	25	Phil Sharpe	15	-
Jo Anne Ooiman	15	25	Judy Hampton	15	-
Karen Duncan	15	25	Annie Pearl Clay	15	-
Martha Wright	15	25	Nina Wojciechowska	15	-
Sandra Watts	15	25	Gunther Frentz	15	-
Frank Wight	15	25	Linda Allenstein	15	-
Judy Wright	15	25	Greg Kaslo	15	-
Joe Morse	15	25	Sears Buckley	15	-
Eric Weinberger	15	25			
Alan Schiffman	15	25			

Total weekly payroll for Mississippi is thus \$565. Sharpe, Hampton, Clay, Wojciechowska, Allenstein and Kaslo have good chances of obtaining outside support, thus having their names removed from this list.

As a total yearly budget now I see something on the following order:

Staff salaries	\$28,600
Field Secretary	4,500
Fines and Misc.	600
Project fixed expenses	6,000
Contribution to Jackson	2,500
Transportation	<u>28,080</u>
TOTAL	\$70,280

- 64 Jeep (belongs to Bill Forsyth) - Wrecked recently; presently in Canton garage impounded under court order.
- 57 Oldsmobile (registered in Raymond's name; insured by Sojourner) - Used by Andrew Green in Madison county.
- 56 Plymouth (registered in Sandy Watts' name, insured by Sojourner(?) - Broke down on FDP Washington trip; presently in shop in Meridian.
- 48 Chevrolet (owned by Theodis Hewitt) - Lacks liability insurance.
- 60(?) Dodge (owned by Bill Hamlin) - About to run out of insurance, but he can get more.
- 64 Chevrolet truck (in name of Charney Bromberg; insured in N.Y.) - Lacks Miss. insurance; can only be used for 20 more days on N.Y. tags.
- 57 Volkswagen (owned by Rita Schwerner) - Driven part time by Mattie Dennis, part time by Dick Jewett. To the allotment of cars add that one car is to be used by the field secretary for travel over all parts of the district. At present that car is the VW above, but the field secretary is expecting to raise a car out of the north within a month or so, thus retiring the VW.

Projected auto allotment and usage

Western half of 4th District

- Neshoba County - 64 Chevrolet (leased)
- Clarke County - 61 Dodge Station Wagon
- Lauderdale County (Meridian) - 61 Mercury Station Wagon
- Field car (opening up Jasper & Newton) - 64 Chevrolet (leased)

Eastern half of 4th District

- Leake County - 48 Chevrolet
- Rankin County - 56 Plymouth
- Madison County - 62 Pontiac, Jeep and/or 57 Olds and/or 60 Dodge
- Field car (opening up Scott & Simpson) - 64 Chevrolet truck

Junk the 57 Ford broken down in Washington.

Projected auto budget

Figure operating expenses @ \$0.06/mile for each car
Figure 1000 miles/week as maximum usage
Figure 8 operating cars at all times

8 X 1000 X \$0.06 = \$480/week car maintenance

\$480/week X 52 weeks/year = \$24,960/year car maintenance

Add \$60/week for car hoped for from the North, \$3120/year for this car.
This makes the total Mississippi automobile budget \$28,080 per year.
