Mr. Harold K. Brown
831 South 47th Street
San Diego, California

Dear Mr. Brown:

The members of the personnel selection committee of the C.E.C. project "Self-Help Through Neighborhood Leadership" are happy to inform you that by unanimous vote you have been invited to serve as Director of this program to train community action leaders. The Committee members all felt as Urban League Director John Johnson expressed it: "This project will be fortunate indeed to get a man as uniquely qualified as Harold Brown."

We speak for the Southeast community in hoping that you will be granted a leave of absence from the San Diego Unified School District and will be able to begin organizational work immediately on this most important task.

May we ask you to send us an official letter of acceptance and mail a copy of the same to Mr. Jack Katz, Executive Director, Economic Opportunity Commission of San Diego County.

Very truly yours,

Lenord McBride
