Dear both -

Rere Al Goni's new book, The Assault on Reason,  
or once!! It is terrifying & essential!!

Now, about this guy having sex with the house;  
of course his insides got all fucked up & he died. He  
got it all wrong! You don't let the house fuck you; you  
fuck the house!! Such a silly error.

Glad to know the ~~old~~ old GORE v. wolf was o.k.

I went to London last week for the closing of The  
Lobby for Dignity in London after 5 months now. Good  
productive. (One woman on her way to it told a judge  
"I'm off to see The Lobby & the Dignity. Ah, well,
