Mr. Ambrose Brodus, Jr.
2965 Imperial Avenue
San Diego, California 92102

Dear Mr. Brodus:

Will Ussery has turned your letter over to the Regional Office for action.

I am sure that you are aware, as Will is, that the Western Regional Office has an obligation to serve the chapters in the Western Region. One of our functions is to arbitrate disputes in chapters.

The National Office will eventually send your request to us for our recommendation. I feel that chapters in this Region have been frustrated enough in times of need for lack of a staff person.th

I have arranged for Lou Smith, Field Secretary, to visit San Diego this week end. Lou will arrive Saturday morning, 11:30 A.M., PSA Flight # 106.

I certainly hope that you or any member of San Diego CORE FEELS FREE TO CALL UPON THIS OFFICE AT any time.

Sincerely,

Isaac Reynolds,
Western Regional Field Secretary
