Dear Bebe; dear Deborah:

Alas! I have to know now
of the April 11th day! It's (suddenly)
the 1st weekend of my student-plays-
-in-production & -since this is my
last teaching year in Houston (my choice) I
can't sluff them off.

(There are 2 other weekends
I could do it - March 14, 15 or March 21, 22 -
but I hate to fuck anything up - probably
impossible anyway!

Much sorry & love,
